

nLighten edge data center

# Geneva.

GVA1

As Switzerland's second-largest city and a global leader in diplomacy and banking, Geneva is a beacon of opportunity and innovation. Renowned for its forward-thinking mindset and technological prowess, Geneva stands at the forefront of the digital revolution, driving advancements in telecommunications and research. The city's multifaceted economy, spanning finance, technology, and healthcare, provides a fertile ground for business growth and collaboration. With its strategic location and unwavering commitment to progress, Geneva promises a dynamic and agile business ecosystem where companies can thrive, innovate, and shape the future of commerce on a global scale. Embracing innovation, the nLighten data center anchors Geneva's digital infrastructure, providing cutting-edge services that propel businesses forward into the future.

**nLighten Geneva.**  
Chemin De L'épingle 2  
1217 Meyrin

## Location specifics.

**The data center is located in the northeast of Geneva,** close to the A1 motorway and just 10 minutes by car from Geneva Airport.

Like the other nLighten facilities, the Geneva location enables our customers to benefit from a well-connected, high-availability data center and capable of housing high-density cabinets. The data center comes with a wide range of on-site services and a growing ecosystem of partners, all there to optimally support our customers' IT environment.

## Highlights.

**5,595 m<sup>2</sup>**

of edge data center space

**4,200 kW**

proposed end-state  
site capacity

AI-readiness:  
Design build of up to 50+ kW  
rear-door cooling

Sustainability:  
Commitment to a net-zero  
carbon footprint

Compliance:  
ISO27001 in all locations

## Edge data center Geneva Features.
