

nLighten edge data center

Swindon.

BRS2

Swindon is a great place to live and has a fast-growing economy. It stands out as a powerhouse, characterized by its diverse economic landscape. A hub for manufacturing and technology companies, Swindon embodies innovation and progress. The nLighten data center here plays an essential role in bolstering the city's businesses and institutions, further fuelling its flourishing economy and cementing its status as a vibrant business destination.

nLighten Swindon.

15 Broadmoor Rd,
SN3 4WB Swindon

Location specifics.

The data center is conveniently located in the north of Swindon, close to the A420 and the M4 motorway and just 20 minutes by car from the Swindon train station. The data center has an area of 1,580 m², 5,700 kW of power, an office area and ample parking space.

Like the other nLighten facilities, the Swindon location enables our customers to benefit from a well-connected, high-availability data center and capable of housing high-density cabinets. The data center comes with a wide range of on-site services and a growing ecosystem of partners, all there to optimally support our customers' IT environment.

Highlights.

1,580 m²

of edge data center space

5,700 kW

proposed end-state
site capacity

AI-readiness:
Design build of up to 50+ kW
rear-door cooling

Sustainability:
Commitment to a net-zero
carbon footprint

Compliance:
ISO27001 in all locations

Edge data center Swindon Features.
